Beaverbrook Elementary Griffin, Georgia

Dedication

In recognition of her first year as our principal, in appreciation of her high standards of quality education, and in honor of her attainment of the Doctor of Philosophy in Education degree, we proudly dedicate our 1987 yearbook to Dr. Margaret P. Thrasher.

Principal

Mrs. Margaret P. Thrasher, Ph.D.

It is my pleasure to be able to work with you great Beaverbrook students, your supportive parents, and your excellent teachers. Please keep up the learning and reading so that you can be the best you are capable of being.

Ass't Principal

Mrs. Millie Childs

My wish for each of you is that you discover the excitement of a lifetime of learning. Reading, of course, is the key that unlocks the world of learning, so I also wish you the gift of reading.

What a joy it is to be a part of this outstanding school!
